

## Temple Emanuel, Newton Kosher Caterers List

In keeping with our commitment to Judaism, all caterers providing food service to Temple Emanuel and its members within our beautiful building must be on our list of approved kosher caterers.

The catering firms listed below are licensed as Kosher caterers by the Kashruth Commission of the Synagogue Council of Massachusetts, are supervised by the Vaad Harabonim of Massachusetts (the Rabbinical Council of Massachusetts), and conform to its rules and regulations of Kashruth.

The Vaad Harabonim is not responsible for the Kashruth of any caterer other than those under its supervision. For up-to-date information on Kashruth service by Kosher caterers or other food firms, please call the office of the Kashruth Commission at 617-426-2139.
