Chorus

How lovely are your tents, O Jacob, your dwelling places O Israel!
In Your abundant lovingkindness, God, let me enter Your house to
worship reverently in Your holy sanctuary. O God, I love Your
house, the place where Your glory dwells. I will worship with
humility and seek blessing in the presence of my God, my Maker.
May my prayers to You, God, be at a time of favor. In Your great
love, O God, answer me with Your saving truth.
