Praise God in his temple where He dwells on high.
Praise Him in His stronghold, praise Him in the sky.
Praise Him for His acts of power and might!
Praise Him for his greatness since the world began.
Praise Him with loud blasts of the horn of a ram.
Praise Him with music and dancing,
In any way that you can.
Let all of God's creatures who dwell here on Earth
Praise him for giving the whole world its birth.
Let us acknowledge all of God's work
and show him what it's worth. Halleluyah!
