

When you believe

Many nights we've prayed with no proof anyone could hear
In our hearts a hopeful song we barely understood
Now we are not afraid although we know there's much to fear
We were moving mountains long before we knew we could

There can be miracles when you believe
Though hope is frail it's hard to kill
Who knows what miracles you can achieve
When you believe somehow you will
You will when you believe

In this time of fear when prayer so often proves in vain
Hope seemed like the summer birds too swiftly flown away
Yet now I'm standing here with heart so full I can't explain
Seeking faith and speaking words I never thought I'd say

There can be miracles when you believe
Though hope is frail it's hard to kill
Who knows what miracles you can achieve
When you believe somehow you will
You will when you believe
