### Temple Emanuel Preschool

The Temple Emanuel Preschool (ages 15 months–5 years) will be open Monday through Friday until 5:30 pm! As the only Conservative synagogue with a preschool in Newton, we are fully committed to a Judaica program that helps children learn about the Jewish part of their world and life. Children are introduced to Judaism and the values of tzedakah (charity), tikkun olam (repairing the world), and kavod (respect for one another) through rituals, songs, games and celebrations. The customs and traditions of Shabbat and holidays are experienced through the young child's senses. A highlight of the week is our community Shabbat with the clergy on Fridays.

We know that choosing a preschool for your young child is a very important decision for the entire family. Come for a visit and see for yourself the warm sense of community that is the hallmark of the Temple Emanuel Preschool at the Selma & Julian Rickles Early Childhood Center.

Contact Lois Madeson at [lmadeson@templemanuel.com](mailto:lmadeson@templemanuel.com) or 617-558-8130 to schedule a visit!

### Sisterhood TE College Holiday Kits

Keep your college students connected to Temple Emanuel during the school year by sending them packages filled with treats, greetings and tips for celebrating holidays away from home.

During 2018-2019 over 150 kits were sent to college students, gap year participants and military personnel. The program is free to TE members' college-aged young adults and \$18.00 for those outside the US and the grandchildren of TE members.
